Sir:

I, Tai-Her Yang, a citizen of Taiwan, R.O.C. and resident of Dzan-Hwa, Taiwan, declare that I am the original, first, and sole inventor of the subject matter that is described and claimed in the aforesaid letter patent and in the foregoing specification, and for which invention I solicit a reissue patent.

I hereby declare that every error in the patent which was corrected in the present reissue application, and is not covered by a prior oath/declaration submitted in this application, arose without any deceptive intention on the part of the applicant.

I acknowledge the duty to disclose information that is material to the examination of this application, namely, the information where there is a substantial likelihood that a reasonable examiner would consider it important in deciding whether to allow the application to issue as a patent.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that wilful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
